

# 5 Steps to Redeeming Your Learnerator School-Wide License

1. Visit [www.learnerator.com](http://www.learnerator.com).
2. Click “Register” to create a user account; this can be expedited by connecting via Facebook. If you already have an account, click “Login” and enter your credentials.
3. Students should be redirected to their user account page. Once there, select “Upgrade” in the top-right corner.
4. Students may also navigate to the upgrade page directly by visiting [www.learnerator.com/upgrade-now](http://www.learnerator.com/upgrade-now) or by clicking “Upgrade” from any subject’s page on the site. Once on this page, select the subjects for which you would like to upgrade. Then insert your school license code for the coupon code and click, “Apply”.
